* A "Write-in" vote is the purest form of democracy we have. You can, on any given candidate, write-in a nomination in every single election. You have a choice, and I am humbly asking for your choice in writing in MATT MILES as your candidate for the primary election this April. I will need 300 write-in votes to make the Fall ballot.

Northampton County:

Step 1: Press the Write-In Square for Representative to the General Assembly 183rd.

Step 2: The arrow will flash. You are now ready to cast your write-in vote.

Step 3: Using the write-in keypad below the ballot, Type in MATT MILES. You should see the letters appear in the window to the left of the keypad.

Step 4: If you make an error on a write-in, press the left arrow key to move back. To make a space, press the right arrow key.

Step 5: When you are finished keying the name, press Enter on the write-in keypad.

The arrow should stop flashing when you press Enter. This means your vote has been submitted.

Lehigh County:

Step 1: Touch the check box beside Write-In

Step 2: A touch keyboard appears on the screen

Step 3: Type in MATT MILES

Step 4: Touch the Record Write-In button to record this candidate:

Some notes about the write-in process:

You are allowed by law to have anyone whom you choose to assist you in casting your vote. This includes a poll worker.

Please, do not be afraid to ask for help. It is your right to!
